

Easter Revision Courses

Background Information

North Tutors plan to run both National 5 and Higher Courses throughout the duration of the Easter Holidays.

The courses will run depending on demand for the subject.

Higher English, Maths, Chemistry, Biology and Physics will be available both in week 1 and week 2.

There will be no more than 6 in a group to keep the focus on each student.

The courses will be intensive and home-work will be set by the tutor.

The course will focus on exam techniques, approach to exam type questions and cover areas of the syllabus requested by the students in advance.
